## MORE PRIZES FOR ADAMS IN FARM SHOW

Adams County entries in the state Farm Show at Harrisburg continue to carry off more top honors as results of the judging in many departments are announced.

New championships came to this county which opened its list of 1961 farm show laurels Monday with announcement that the best county apple display in the show came from Adams County.

Today a grand championship and two reserve championships in the Guernsey division of the dairy cattle display at the farm show came to this county among other honors.

### STERNER GUERNSEY WINS

A five-year-old Guernsey cow, Wynno Beau's Lyla, which won a reserve championship a year ago, was named grand champion of this year's show. She is owned by Herbert H. Sterner, Littlestown R. 1. Sterner is displaying a total of 16 Guernseys at the show and again won the reserve championship, the first time in dairy history that a grand champion and a reserve champion have come from the same herd.

Three-year-old Clarion Bonnie d'Corra is the reserve champ and a Sterner bull, aged 1½ years, was named grand champion of his class. His name is Sunny Crest Danny and he was shown in the senior yearling class.

Other Sterner Guernseys took an award for the best producing dam, second for the best two-year-old and a third prize for the best four-year-old in the Guernsey division.

### WINS WITH EGGS

Strayer Yake, New Oxford R. 1, carried off a grand championship for brown eggs in the 4-H division of the poultry show.

A reserve championship in the Chester White division of the swine display at the show was won by a gilt shown by J. Harold Little, Hanover R. 3, Adams County.

A first prize in the oats division of the small grains display went to Robert Linebaugh, Abbotstown R. 1, for his entry of Kenbar oats.

A fifth prize for a 10-ear display of hybrid corn for District I was won by Fred Geiselman, Hanover R. 4, Adams County.

## YORK SPRINGS FFA CHAPTER IS HONORED

(See Photo On Page 3)

The York Springs chapter of the Future Farmers of America today was honored for its outstanding program in farm safety carried out during the last year.

The Bermudian Springs Joint School System group was one of but a few chapters of the FFA throughout the state chosen to be honored by the state FFA at the annual Farm Show at Harrisburg.

A team comprising Advisor Carroll Slothow, President Robert Smith, Parliamentarian Roger Smothers, Sentinel Alvin Griest, Jan Zeigler and Warren Weaner was chosen by the group to represent it for the presentation of the safety award.

Other FFA chapter members who participated in the award winning activity were Emory Golden, James Smith, Donald Sheaffer, Spencer Stambaugh, Barry Hinkle, George Riley, Edgar Griffie, Anthony Helman and Leonard Weaner.

As part of the York Springs farm safety program the youths inspected 36 farms, found 403 hazards of which 343 were removed or corrected. None of the farms reported any lost time accidents. The FFA members suggested that 56 units of machinery be refectorized as part of the program. They published six news articles, presented two radio programs, had 21 radio spot announcements made, gave nine speeches on safety and prepared and exhibited a safety display.

### HISTORIANS TO MEET

## TO REOPEN SPRINGS AVE.

Old Sol is about to give the west end of Springs Ave. back to the motorist.

Burgess Wilbur L. Plank said today the sun has about removed the snow from the hill on Springs Ave. and as of midnight tonight the traffic barriers will be removed and the cars can take over—after a month during which the hill was reserved for the sleds of the town's youngsters—and adults.

Borough police at the burgess' direction blocked off the Springs Ave. hill December 12—after heavy snow had made the hill ideal for sledding. The traffic barriers have remained since and so has the sledding.

Plank said he believes it to be the longest time in history that the hill has been blocked for coasting. Closing off the hill from auto traffic during good sledding weather has been a custom of the town for many years.

## NEW PLAN FOR HS BUSINESS PUPILS NEAR

The Gettysburg Joint School System may soon establish a system of "distributive education" for its business course students, according to discussion at Monday evening's meeting of the joint school board at the high school here.

Distributive education, Superintendent H. Edgar Riegler told the directors, is the state Department of Public Instruction's way of saying "a program whereby pupils in the business education department spend part of their time working in business places and offices while attending high school, in order to gain practical experience while studying."

Riegler, who said an informal test of the system had been tried locally and "proved very successful," indicated that he expects to work out such a plan if possible within the next several years.

### LIST SHORTCOMINGS

The matter of "distributive education" came up following reading of a report from the state Department of Public Instruction stating that while the Gettysburg Joint School System will again receive supplemental appropriations for its school program because of its "constant improvement," it "still does not meet all of the criteria for supplemental payments."

The letter, from Ralph C. Swan, deputy state superintendent of schools, was read to the board after which the directors asked Riegler: "What does all that mean?"

Superintendent Riegler said he had studied Swan's letter and as far as he could determine it meant the local school system

## OPEN BIDS ON MEADE SCHOOL HEATING SETUP

Bids were opened by the Gettysburg Joint School Board Monday evening at its meeting in the high school for installation of an auxiliary heating system at the Meade School building to heat the general purpose room.

After the bids were read, the joint board voted to turn the bids over to the Property committee for study, with the committee authorized to "go ahead" with the installation.

For installation of "warm air system," the bids were: Weishaar Brothers, \$698.80; J. R. Weaver, \$716; Roy E. Coldsmith Inc., \$570. Bids for installation of a hot water type heating system were: Weishaar Brothers, \$1,386.60; J. R. Weaver, \$1,495, and H. N. Bange, Hanover, \$1,347.

### TEACHER RESIGNS

The committee will determine which system is to be installed and award the contract to one of the bidders.

Approval was given by the board to provide rooms at the high school here for graduate extension courses to be offered to county school teachers by Pennsylvania State University.

The resignation of Mrs. Nancy O. Miller as a first grade teacher at Keefauver School effective January 20 was accepted. Mrs. Barbara K. Stroup was added to the list of approved substitute teachers for both high school and elementary school classes. A graduate of Dickinson College, she has also done graduate work at Columbia and North Carolina State College and has 7½ years of teaching experience.

## Waybright Back From New Orleans

County Commissioner Clarence J. Waybright returned Sunday from a jet plane trip to New Orleans where he attended the semi-annual meeting of the United Counties operatives. He left by jet from Baltimore Thursday evening after attending the commissioners' meeting here that day.

He made the trip to Louisiana as one of the state's representatives to the convention and accompanied George Connor, manager of the Pennsylvania Farm Bureau Cooperative. Waybright is a director of the state organization and went to New Orleans as a shareholders' representative.

## U. S. Maneuvers Arouse Castro

HAVANA (AP) — Annual maneuvers by the U. S. Navy and Marine Corps in the Caribbean gave new impetus to Fidel Castro's nationwide invasion alert today. A high official said all Cuba is under the equivalent of martial law.

Mobilization of military and labor forces throughout the island was speeded as Castro's regime prepared for an invasion it insists is coming from the United States by January 18.

More soldiers took battle stations along Havana's seaford Malecon Drive. Militiamen dug more trenches in public parks and gardens along the ocean.

U. S. officials in Washington and Guantanamo Bay, Cuba, denied there was aggressive intent behind the maneuvers, which started Monday. The Marines will train on Vieques Island, off the coast of Puerto Rico and about 1,375 miles east of Havana. While ships of the maneuver force will call from time to time at the U. S. Navy base on Guantanamo Bay, the Navy said, the exercise had been planned some time ago.

## NPS HISTORIAN WILL ADDRESS SHRINE DINNER

Herbert E. Kahler, chief historian of the National Parks Service, Washington, D. C., will address the annual dinner meeting of the Adams County Shrine Club to be held in the Hotel Gettysburg Wednesday at 6:30 p.m. His topic will be, "National Parks, Our Heritage."

Kahler was born in Minnesota in 1904 and received his B.A. degree from Nebraska in 1929 and his Master of Arts from the same university in 1930. Since graduation he has worked for the park service as a historian at Chattanooga, Tenn.; St. Augustine, Fla.; superintendent of the Southeast National Monuments and of the Morristown, N. J., National Historical Park; Chief of the Historic Sites Division of the NPS in Washington; assistant chief historian and in 1961, he was appointed to his present position.

### MANY MEMBERSHIPS

Kahler is a member of the council of Historic Sites and Buildings; Association for State and Local History; the Mississippi Valley Historical Association; the American Planning and Civic Association; the Preservation and Interpretation of Historic Sites and Buildings; has done ten years of historical conservation work under the Historic Sites Act; was a delegate to the first International Congress of Public Park Administration in London in 1957; was a delegate to the International Congress of Architects and Technicians of Historical Monuments in Paris, and the annual meeting of the German National Park Association in Essen, Germany.

The club will elect officers.

### PAYS FINE AND COSTS

## Will Close Georgia U. If Negroes Enter Classroom

ATLANTA (AP) — A Federal judge restrained Gov. Ernest Vandiver today from closing the University of Georgia by cutting off funds for the institution.

Judge W. A. Bootle issued a temporary injunction ordering the governor and State Auditor B. E. Thrasher not to cut off or withhold operating funds.

### WASHINGTON (AP)—A petition asking a stay of integration for the University of Georgia was presented to Justice Hugo Black of the Supreme Court this morning.

There was no indication when the justice would act. A stay request was made by Atty. Gen. Eugene Cook of Georgia, who flew to Washington from Atlanta.

ATLANTA (AP) — The University of Georgia continued operating on a segregated basis today because two Negroes ordered admitted by a federal court failed

## Keefauver PTA To Meet Thursday

Those participating on the panel will be: Moderator, Miss Elizabeth Rutledge; teacher, Mrs. Anne Stahl; parent, Thomas Washburn; minister, Dr. Robert Koons, and school doctor, Dr. Raymond Sheely.

## NEW SCHOOL TO BE READY JANUARY 30

Students of the Bermudian Springs Joint School District are expected to occupy the new high school building between York Springs and East Berlin January 30, it was announced at the January meeting of the Bermudian Springs joint board Monday evening at York Springs.

President Richard E. Hoffman, Reading Twp., presided at the meeting at which plans were made for the final inspection of the new school by school authorities on January 25.

High School Principal Alfred R. Billett reported to the board on plans for the operation of the new school. A closed lunch hour will be instituted with all pupils remaining at school for lunch. They will eat in three shifts of about 200 each and school will remain in continuous session from 8:30 a.m. until 3:30 p.m.

### OTHER PREPARATIONS

State Highway department experts are making a survey to determine what signs shall be erected at the highway entrance to the new school for safe traffic control.

A meeting of the building committee on the new school site has been scheduled for January 18 to study drainage problems that have developed. The committee also will handle other last-minute items in connection with the opening of the school at that time.

The board appointed a committee to interview and recommend to the board suppliers of milk, ice cream, bread, etc., to the new school. The committee headed by Lloyd Spahr of Reading Twp. will meet January 17 at 7 p.m. at York Springs for the interviews. The personnel committee, headed by Mrs. Mary Baker, was authorized to arrange for the extra

## HOSPITAL AIDE DUTY OFFERED TO GIRL SCOUTS

An orientation course for Senior Girl Scouts who wish to serve as hospital aides will begin Saturday afternoon at 1 o'clock at the board room of the Warner Hospital, it was announced today.

The other classes in the orientation course will be held at the hospital January 21 and January 28 at the same afternoon hours, 1 to 3 o'clock.

Service as a hospital aide is open to Senior Girl Scouts who have completed their "five-point program," which usually takes place during the first year of Senior Scouting. Scout officials said.

### MRS. DELP INSTRUCTOR

Those Scouts who complete the orientation program will be under the supervision of adult nurses' aides when they serve at the hospital. Mrs. Harold Delp, assistant superintendent of nurses at the hospital, will be instructor for the orientation course.

Special pinafors and arm bands to be worn by the Girl Scout hospital aides are provided by the hospital auxiliary. Those who wish to qualify as a senior hospital aide must be willing to give at least 30 hours of service following training. They must have written permission from their parents to carry out the service and must bring that permission with them when they report at the hospital for Saturday's orientation session.

The duties of the Senior Girl Scout hospital aides, once they complete their training, will include serving in the children's ward, assisting with the preparation of food and feeding of convalescent children; serving rooms by arranging flowers, setting up trays, carrying food trays, assisting in the surgical supply rooms by helping to check linens, stretching washed gauze, making surgical dressings and doing messenger service. The hospital aides will wear a red metal bar upon completion of their services. Mrs. LeRoy Winebrenner met with the senior girls in November to outline to them the duties of the hospital aide.

## CLUB TOLD HOW 'FANTASYLAND' ORIGINATED

A conversation on a York golf course led to establishment of Fantasyland here. A. Kenneth Dick, owner of the park on the Taneytown Rd., told the Kiwanis Club at its meeting Monday evening in the Lamp Post Tea Room.

Dick, a salesman, was playing golf with a friend at York when the friend told him how much he liked to go to Gettysburg to visit the battlefield "but the kids complain they have nothing to do." The friend said there should be some amusement here that would be a "good place for the youngsters" while the parents visited the Battlefield.

Dick said the idea stuck in his mind and he and his wife decided to provide such an attraction for the youngsters. The result, he said, is Fantasyland.

### 'ALL OUT OF PLUMB'

Displays for the park came "from all over." Mother Goose from New York, animated figures from Chicago, and a railroad caboose from the Enola railroad yards, although I found out later I could have built a new one cheaper."

He described the difficulties he had in constructing the buildings at Fantasyland: "The work almost drove the carpenters mad. All their life they had been used to making things square and on a straight line. Here I was complaining about perfect workmanship and insisting that everything be crooked and out of plumb and built completely wrong from a

Representatives of the Gettysburg Junior Chamber of Commerce will speak on their planned program for restoring the 1,863 atmosphere to the community at the meeting of the Gettysburg Travel Council this evening at 8 o'clock at the West Branch of the Gettysburg National Bank, Travel Council President Kenneth Dick has announced.

### ROTARIANS MARK WAR CENTENNIAL

The Gettysburg Rotary Club marked the start of the Civil War Centennial Monday evening at its meeting in the YWCA by showing films of the observance of the 75th anniversary of the battle here in 1938.

Dr. Frederick Tilberg was in charge of the presentation of the film which recalled highlights of the anniversary observance and the last reunion of the Blue and Gray held here simultaneously.

## MRS. MAGUIRE PASSES AWAY

Mrs. Margaret E. Maguire, 92, of 48 E. Middle St., died this afternoon at 1:20 o'clock at the Warner Hospital where she had been a patient since December 9.

The deceased was a member of St. Francis Xavier Catholic Church.

Survivors include two sons, Joseph A., York, and Bernard P., at home.

Funeral arrangements will be announced later.

## LIONS HEAR OF ACTIVITIES IN NATURE CAMP

Simon P. Hess, vice president and public relations director for the Penn Sylvan Health camp, near Reading, used 20 minutes to give Gettysburg Lions a word picture of life in the unfenced woodland dell near Mohnton, Pa., and then answered clubmen's questions for 10 minutes more.

Nature club members are mostly "serious-minded family groups" who have been carefully screened before admission to probationary membership for the first year, Hess said. They find sunbath and mosquitoes only minor problems and allow no whiskey in camp.

"It's funny about the mosquitoes," Hess said, "but with all that bare flesh around, they just don't seem to be much interested." He said "a little clothing is a dangerous thing" and described a bikini as "a little reckless." The only time he had noted anything "a bit offensive" about his camp was at a masquerade party when members put on some costumes, or parts of them, and some went "a little too far on the hula theme."

### VISITORS ARE ADMITTED

"There are no walls or gates at Penn Sylvan and visitors are admitted. They are not grabbed at once and their clothes stripped off—but they do look a little odd, a little out of tune with their surroundings, if they keep their clothing on," he said. Most of the 200 sunbathers at Penn Sylvan are family units and there's a limit to the number of "singles" allowed.

"We hear all the jokes about nudist camps. Like the one about the lady with varicose veins who came to a party as a road map and the stories about nudists just looking at each other's faces. That's a lot of bunk. We start with their faces and without making a federal case of it, we take in the whole picture. It's a com-

## E. C. HARBAUGH DIES SUDDENLY

Ernest Clayton Harbaugh, 44, Fairfield R. 1, Purple Heart veteran of World War II, died suddenly this morning at 8:30 o'clock at the home of Mrs. Gladys Fox, near Fairfield.

Dr. C. G. Crist, county coroner, investigated and said death was due to coronary thrombosis.

Mr. Harbaugh was a machine operator and was employed in Waynesboro. He was a son of the late Allen R. and Maudie (Eigenbrode) Harbaugh. He was inducted May 1, 1942, and discharged October 4, 1945, after winning a Purple Heart and a unit citation. He was wounded in fighting at Munda AFB. He wore the APTO medal.

The deceased was a member of the Veterans of Foreign Wars of Waynesboro and of the Fountaindale Fire Company.

Surviving are his stepdaughters, Mr. and Mrs. Charles Slack, Baltimore; three brothers and a sister, Edgar A., Fairfield R. 1; Roscoe and Lervin, both of Waynesboro, and Mrs. Reita Nagle, Fairfield R. 1.

Funeral services Friday afternoon at 2 o'clock at the Wilson Funeral Home in Fairfield with the Rev. Claude Corl officiating. Interment with military rites at St. Jacob's Cemetery. Friends may call at the funeral home Thursday evening after 7 o'clock.

## LEGION POST GETS CITATION

The Albert J. Lentz American Legion Post was awarded the annual Americanism Citation from the National Americanism Committee, it was announced Monday evening at the regular monthly meeting in the post home. The award is given for worthwhile and outstanding service to the community during 1959-60.

A letter from Maj. Jesse C. Strickland, chief of the welfare and recreation division of the Walter Reed Army Medical Center, Washington, D. C., was read, thanking the club for the donations to Mother Clarke's yearly activities in veteran's affairs.

John D. Smith, Gettysburg R. 3; Robert D. Hollingsworth, 37 E. Lincoln Ave.; Lineal R. Shoffstall, Chambersburg, and Harry R. Albert, Hampton, were accepted as new members. Paul R. Lings was granted a transfer to the Harold H. Bair Post 14, Hanover.

Joseph Staub reported on the Allied Veterans Council of Adams County meeting held recently in the VFW post home. He said that Patrick McDermitt was appointed temporary chairman and he was appointed secretary. Commander Robert E. Fox appointed Staub, John O'Brien, and John Guise as representatives for the next meeting of the Veterans' Council January 17.

Twenty-eight members attended.

### Claim Part Of Their Land Sold

A Hanover couple claims part of their land in Abbottstown was "purportedly" sold by the administrator of an estate in an action to quiet title filed in the prothonotary's office by Attorney Donald M. Swope.

Harry Kessel Jr. and Marguerite E. Kessel, Hanover, claim they purchased a property on Fleet St., Abbottstown, March 14, 1954, from the heirs of Robert C. Berkheimer. They allege that Ira M. Crowl, administratrix of the estate of Alice S. Kinneman, in giving a deed on May 6, 1960, to Harry M. and Marie V. Vaughn, Abbottstown R. 1, for a tract of adjoining land included in the deed part of the land owned by the Kessels.

### Physical Fitness Meeting Scheduled

Mrs. Marguerite Duval, family life specialist, will discuss "Physical Fitness for the Family" at a meeting for group leaders January 20 at 10 a.m. in the West Street Branch of the Gettysburg National Bank, according to an announcement today by the county home economist, Mrs. Helen D. Tunison.

Mrs. Tunison said that a leader and assistant are eligible to attend and are to bring box lunches. A beverage will be served.

She advised those attending to wear an outfit "you can comfortably do some exercises in, flat-heeled shoes, and bring a turkish towel and a blanket or rug." The announcement said exercises to develop physical fitness will be taught.

## REPORTS FOR DECEMBER ARE GIVEN BOARD

The Gettysburg Joint School system started the year with a balance of \$49,968.63, according to the report of the treasurer, the First National Bank of Gettysburg, presented at Monday night's meeting of the joint school board at the high school.

The report showed the December balance to have been \$31,917.36. Income during December totaled \$91,506.16 of which \$83,000 came from tuition and \$8,324.54 from the state. Expenditures totaled \$73,454.84 of which \$2,092.30 was for general control, \$54,444.77 for instruction; \$1,776.72 for auxiliary agencies, \$6,586.59 for operation of the school plant, \$6,559.32 for maintenance of the plant, \$100 for fixed charges and \$1,895.14 capital outlay.

### NURSES' REPORT

The report of the school nurses, M. Lucille Brennan and Ellen R. Miller, for December also listed totals for the school year so far. The totals showed 1,409 students have been given vision tests, 2,256 hearing tests, 1,398 tested for height and weight. There were 23 accidents requiring medical attention including eight in December. Fifty-seven youngsters were referred to their physicians and 16 to their dentists. Five hundred sixty-six cases of illness were reported to the nurses including 109 during December. Of the 566 ill, 102 were sent home and 27 taken home. First aid for injuries was given 214 times.

The high school cafeteria report showed 871 students and 27 teachers were served meals on 14 days during December. The net profit for the month's operation was \$206.16.

At the Keefeauver School where 577 students and 38 teachers were fed for 14 days during December, the operation showed a loss of \$198.96 for the month. At Eisenhower School 653 students and 28 teachers were fed on 14 days in December at a net loss of \$101.04. The loss for the month in the two schools was more than offset by balances as of December 1, which were \$2,407 for Keefeauver School and \$2,796 at Eisenhower.

The report of the Gettysburg High School activities fund—covering all of the accounts of all of the various students connected activities at the school showed the fund began December with a balance of \$18,624.12. Income totaled \$4,204.24 during the month and withdrawals were \$1,771.37.

transfer Seventh Grade students who are in the band from Lincoln School to the high school building for band practice. At present, the youngsters walk and Superintendent H. Edgar Riegle said "this leads to problems." The jointure will pay the township \$1.50 for each use of the bus.

Li. Col. John S. D. Eisenhower will be the speaker May 28 at the annual baccalaureate-commencement exercises, Superintendent Riegle announced.

The directors were invited to take part in an all-day workshop to be held by the local PSEA at the high school February 13 and were invited with their wives or husbands to attend the annual personnel dinner at the high school February 13 and were invited with their wives or husbands to attend the annual personnel dinner at the high school February 2.

Approval was given for the Adams County Republican Committee to hold its annual Lincoln Day dinner February 16 at 7 p.m. at the high school cafeteria. The directors at first added "provided they pay for it," but then withdrew that part of the motion when it was explained that the high school cafeteria serves the meal and the profit realized from the meal exceeds rental income for use of the cafeteria.

Superintendent Riegle reported enlargement of "the turn around" for cars at Keefeauver school at a cost of \$180, which was approved by the board.

The meeting—one of the shortest in some time for the directors—concluded at 9:04 o'clock.

**DISCUSS MERGER PLANS**  
A meeting of Freedom and Gettysburg boards was held immediately thereafter to discuss plans for merger of the two districts as approved by the voters in November. The two districts adopted as their new name what they merge "Gettysburg Area School District."

Since Gettysburg and Freedom plan to merge, a new jointure agreement must be drawn. Superintendent Riegle told the two boards. At present, the jointure agreement is among seven school districts. When Gettysburg and Freedom merge only six districts will remain. The Gettysburg and Freedom boards held that when they join in the jointure as a merged unit with the other five boards they will insist on "just as much representation as we have now," so that Gettysburg and Freedom will have representation rather than have one representative for the two merged districts.

Dick, president of the Gettysburg Travel Council, quoted U. S. competition for the "travel dollar" and statistically providing that the more that is spent on tourist promotion the more return there is in increased tourist visitation.

President Kenneth Faust reported on income from the 37 gum ball machines placed in town by the club. The proceeds are placed in the underprivileged children's fund of the club. Reports were presented on the directory placed by the club at the Gettysburg National Museum and plans were discussed for constructing another such directory as soon as a suitable location can be secured.

### INTRODUCES OFFICERS

President Faust introduced the new officers: Roy Thomas, first vice president; James B. Myers, second vice president; Donald Weaver, secretary; H. Wayne Cluck, treasurer; Clyde Markle, Ernest Krape, Robert McCoy, Harry Redding, Elwood Hartman and past President William Ditzler, directors. Perfect attendance pins were awarded William Ditzler for four years, H. Wayne Cluck for three years and Roy Thomas and Robert McCoy each for two years.

did not have distributive education, did not have a home and school visitor, needed more guidance and library help, had some teachers holding only emergency certificates and lacks trade and industrial education.

He said he highly favors the system of having commercial students gain working experience during their school years; expected the board would "happily" hire a home and school visitor when one properly certificated is available, adding, "There are very few so certificated in Pennsylvania"; noted that the system has two guidance and two library personnel at the high school "which qualifies us for 1,000 students according to state figures. We have 1,300"; noted that "somehow I am not convinced" guidance teachers should be assigned to elementary classes, as recommended by the state, and indicated that emergency certificated teachers are a problem that will solve itself over the years as new teachers are secured with permanent certificates.

## Weddings

Hann—Sanders

Miss Marie Margaret Sanders, daughter of Mr. and Mrs. Regis R. Sanders Emmitsburg R. 1, became the bride of Sylvester A. Hann, son of Mrs. Catherine Hann, Myersville, Md., in St. Joseph's Catholic Church recently. The double-ring ceremony was performed by the Rev. Fr. James Twomey, C.M. Mrs. Louis Rosensteel, church organist, played traditional wedding music.

Miss Ann Althoff, Emmitsburg, was the maid of honor. Thomas Layman, Thurmont, Md., was the best man. Sterling Sanders and Harold Sanders, brothers of the bride, Emmitsburg R. 1, were the ushers.

The reception was held at the bride's home.

The bride is a graduate of St. Euphemia Elementary school and Emmitsburg High School and is working on a farm. The groom is a graduate of Thurmont High School and is engaged in farming for himself.

Out-of-town guests were from Annapolis, Frederick, Thurmont, Rocky Ridge, Fairfield and Wheatney.

Arnold—Hankey

Miss Ruth Helen Hankey, daughter of Mr. and Mrs. Glenn C. Hankey, York Springs, became the bride of A/2c Frederick Clifford Arnold, son of Mr. and Mrs. Clifford Arnold, Garden Grove, Iowa, recently in the York Springs Methodist Church. The double-ring ceremony was performed by the Rev. Kenneth Franklin, Ross, Md., cousin of the bride, assisted by the Rev. Amos Meyers, pastor. Miss Jo Ann Hankey, cousin of the bride, was soloist. Mrs. Marilyn Lorry was pianist. The bride's sister, Miss Shirley Hankey, was maid of honor. Naomi Leer, a cousin, was flower girl. Jerry Arnold, brother of the bridegroom, was best man. Gerald Hankey, brother of the bride, was ring bearer. Ushers were Glenn Shutt, East Berlin, and Joseph Dent, Humestown, Iowa, the bridegroom's cousin. Mr. and Mrs. Arnold will reside at Camden, Del., until he has completed his Air Force training.

## Rambler Buyers Given U. S. Bonds

Ten customers of Hunt Ave. Service Station will receive U.S. Savings Bonds with a total maturity value of \$250 because they purchased new Ramblers during December, according to Fred Spalding, an officer of the firm. Spalding said, under the American Motors Corporation progress sharing program, buyers receive bonds as national sales increase between Dec. 1 and March 31. For a 10 per cent monthly gain, buyers received \$25 bonds and if the cumulative gain goes up to 50 per cent, each buyer will receive \$125 in bonds.

with the school's administrative council. They were awaiting word from the governor.

Some students had packed and returned to their homes for a vacation after hearing that Vandiver would shut the school until the legislature can act to repeal the funds cutoff provision in state law.

### SEEK NEW ORDER

Donald L. Hollowell, chief counsel for the Negroes, was reported en route to Macon, Ga., 100 miles south of Atlanta, apparently to seek some new federal court order.

Vandiver announced at midnight Monday that he would cut off operating funds if integration came.

State Atty. Gen. Eugene Cook flew to Washington to appeal to the U.S. Supreme Court for a last-minute delay.

Vandiver asked the legislature Monday night to repeal the law which would cut off funds to the university.

pletely natural situation.

"You know how nice it is to come home at the end of a hard day and kick off your shoes and relax. Just think how nice it would be to take off all your clothes and relax in nature's way," the speaker continued. "New folks are always amazed at the healthy outlook of folk in the camp," he continued.

### "PERSONAL FREEDOM"

Mr. Hess spent the first part of his 20 minutes developing the idea that, in America, freedom includes the right of individuals to have different ideas. "It's a matter of personal freedom," he explained. "Most folk in camp feel they have to use nicknames but we use our own names. I don't go around shouting the fact that I belong to a nature camp but I don't conceal it either. I'm a Sunday School teacher and if anybody asks I tell them I'm a nature camp member, too."

Mr. Hess told about the winter parties where the member take off their clothes and go swimming. There are skating and skiing parties, too, but he did not specify the attire for them.

### NOT EXPENSIVE

He noted that some "commercial camps" may not be as careful about rules and their American Sun Bathing Association membership as Penn. Sylvan. Membership is not expensive, he said. The Mohnton camp costs \$41.50 for his family of four including two children, one a 15-year-old girl. "We swim and play volleyball at the camp in the summers but dancing in the nude is out. We can't push our luck that far," Hess said.

### WON'T BE UNIVERSAL

The camp is expanding its holdings and hosted the eastern area sunbathing convention last year. "But even our most devoted members know it can't become universal. We've got to admit we're just nonconformists," Hess said. Hess was introduced by Wilbur Varian, a member of the Lions Club. Attendance was 80 per cent, the best figure in many weeks, officers said. The meeting was held at the VFW home here with President Richard A. Folkenroth presiding.

Lions were invited to attend the Eisenhower dinner at the Hotel Gettysburg January 21 and letters were read from the Gettysburg

## FIFTY YEARS AGO

## Boys Put Skull in Old

**Cemetery:** Two or three mischievous boys are responsible for the mystery of the skull in the Reformed cemetery and they are enjoying hugely the result of their joke which they conceived originally to frighten their schoolmates.

The youngsters were rummaging about the house on Baltimore street recently purchased by William Tipton from Dr. J. W. C. O'Neal and found the skull there. Mr. Tipton gave it to the boys and they immediately proceeded to the old cemetery where they carefully placed it at the head of a grave and then in mysterious whispers told their fellows to go down and see what was there.

The news of the uncanny find soon spread among the children and it was but a short time before all knew about it and were discussing its presence. Not many were let into the secret of how it got there and when they went home told all their parents of the awful thing they had seen.

When the story of the find appeared in The Times it was too good for the initiated to keep and they had to let out their secret with the result that there was a general laugh all around on how a couple of boys had "sold" the town.

The plan of sending demonstration trains with cars for lectures on improved agricultural and horticultural methods which has worked so successfully the last few years is to be adopted for popular education in the cause of improved highways. Arrangements are now being made by the authorities of State College and the officials of the state highway department and of the federal bureau of good roads to have cars tour the state this winter in the interest of better highways.

## Pretty Dance On New Floor:

One of the prettiest dances given by the students at college for several years was held Tuesday evening in the Recreation Hall where a new floor had been laid for dancing.

The large examination hall had been decorated with a profusion of pennants and bunting and presented a very pretty sight. The gowns were unusually handsome and as the number of guests was exceptionally large the affair was a very marked success as the opening of the new hall.

The event was distinctively a college function. President Granville was at the dance which was the first ever given on the campus by all of the fraternities. The music was furnished by the College Orchestra and proved most acceptable to the dancers.

**Farmer Has A Narrow Escape:** George Trump, a retired farmer of near East Berlin, had a narrow escape from being killed at Spring Grove, shortly after noon Wednesday when the horse he was driving became scared at a trolley car.

The jolt when the buggy collided with a tree threw Mr. Trump over the dashboard of the vehicle. He alighted on his head at the hind feet of the horse, and the animal itself fell on the pavement in its struggle to get away.

**Much Building On Mountain:** The indications are that pretty Pen Mar, where thousands of city folk gather each season for health and recreation, will enjoy the distinction of having many more additions in the way of buildings and "tenters" when the season opens next May.

Several cottages have already been built since the close of the park and others are to follow.

Beside the 26-room cottage now in course of construction for Mrs. Belle F. Stoler, Waynesboro, three more prominent citizens of Baltimore and Harrisburg are to build.

The earth takes about one-thirtieth of a second longer to rotate around its axis today than it did three years ago.

## Today's Talk

## THE END OF THE DAY

I like the "Good Night" of the day. True, it is then that the disturbances and worries over problems set in, but there is always a gain in confidence and outlook. It is a time for taking inventory, and concentrating on the ideas and lessons created.

At the end of the day there is a time for meditation and time to build up hope and look to the problems that are most urgent and important.

We must learn to program the affairs of the spirit. The end of the day is a time to think of the beauty round about us, and to learn to apply "heart" to all that we do. It is a time to "put things together."

Only as we learn to review the work of our hands and minds—when at the day's end—and come into new determinations, shall we be able to grasp the hidden meanings of the universe and glory in the chance to live.

Perhaps, other people in the house have gone to their rest—and we are left alone with a book. We can meditate. We can say to ourselves: Was it a good day and did you do your best? The day that has gone cannot be tried over again. But we may try another day—in the morning—if our life is spared.

"Sunset and evening star" is the picture Tennyson portrayed. You can almost hear the "evening bell" as you read those consoling lines that the poet must have reached out to grasp, under the stars and silent hills.

Tomorrow Mr. Adams will talk on the subject: "Integrity." Protected, 1961, by The George Matthews Adams Service

## Just Folks

## MOTHER DREAMS

The little mother looks away  
Across the world so wide,  
And sees a man erect and straight,  
Clean-handed, face to face with fate  
And smiles on him in pride.

The little mother dreams by day  
A thousand dreams or more,  
Of one who, down the lane of years,  
Shall kiss away her bitter tears  
When all the dreaming's o'er.

And lo, she hums a lullaby,  
And, oh, so proud is she!  
Above the cradle where he lies  
Always the visions brightly rise  
Of one who is to be.

And when comes one, like you or me,  
Though neither brave nor stout,  
The mother loves him, just as though  
He were the prince of long ago  
She dreamed so much about.

## LEADER TO GET APPOINTMENT

PHILADELPHIA (AP)—The appointment of former Pennsylvania governor George M. Leader as undersecretary of health, education and welfare in the Kennedy Administration will be made between Friday and next Monday, says Radio Station WRCV.

The station said Monday night that both Gov. David L. Lawrence and Rep. William Green, Philadelphia city Democratic chairman, had approved the appointment of Leader, a Democrat who served as governor from 1954 through 1958.

WRCV said it learned of the appointment through sources in the Pennsylvania congressional delegation.

Kennedy's press secretary, Pierre Salinger, said in New York he could neither deny nor confirm the report.

Leader was not available for comment Monday night. He was en route to his Dover, Pa., home from a Florida business trip.

## DAIRYING IS IN LIMELIGHT AT FARM SHOW

By JACK LYNCH

HARRISBURG (AP)—The accent was on Pennsylvania's rich dairy industry at the State Farm Show today.

A highlight of the show's second day program was judging of black and white Holsteins, mainstays of the Commonwealth's \$600-million-a-year dairy industry.

The Holstein competition and the milking Shorthorn judging, held simultaneously, were open to all classes, including vocational and 4-H Clubs.

**MORE JUDGING**  
Sherrill Smith, Bedford R. 2, and Ralph E. Harnish II, Christiansburg R. 1, Lancaster County, Monday exhibited the grand champion Guernsey and grand champion Ayrshire, respectively. Both are 4-H Club members.

Brown Swiss and Jerseys will be judged Wednesday, completing the dairy cow competition.

A number of breeds of sheep and swine also went before the judges today. They will be auctioned off later in the week.

## OPENS MONDAY

The 45th annual Farm Show, largest agriculture exhibition of its kind in the East, opened Monday in unusually fine — for the show — weather.

Despite crisp, clear skies the opening crowd was less than an expected record turnout. Some 140,000 poured through the doors of sprawling Farm Show buildings in North Harrisburg. Last year's opening day attracted 155,000 visitors, tying a mark set the previous year.

Early bird visitors found that judges had spent a busy weekend selecting the best fruits, vegetables, clothing, baked goods, wool and grains.

## "GOVERNOR'S NIGHT"

Gov. Lawrence, who made a special preview of the show's 10,000 livestock entries and farm products and equipment exhibits Sunday night, returned Monday night for "Governor's Night" ceremonies, official opening of the show.

In brief, off-the-cuff remarks Lawrence said this year's show "is the greatest ever" and serves "to point up the importance of agriculture in the Commonwealth's economy."

Lawrence, a Democrat, drew a round of boos from the mostly rural crowd when he was introduced by William Henning, secretary of agriculture. Most rural persons in Pennsylvania are inclined to the Republican party.

After the governor and other guests were introduced in the main arena the state police equestrian team thrilled a capacity crowd of 8,000 with an exhibition of fancy horseback riding and precision drills.

The state police exhibition was the first in a series of evening programs to entertain visitors. Tonight, 59 teams from 29 counties will participate in the folk dance competition.

## Bob Hope To Hit Work Trail Again

HOLLYWOOD (AP)—It's back to the golf course for Bob Hope today and an eastern tour of benefits is on tap for next week.

Hope dropped out of a golf tournament last week, complaining of dizziness. But it was fatigue, he says, and nothing more.

Over the weekend, he was busy editing the tape of his Wednesday night NBC-TV show made during his recent holiday tour of U.S. bases in the Caribbean.

The comedian's doctor wants him away from his Toluca Lake home for awhile. The office of the Hope Enterprises is on the property and it's hard for the boss to rest with work nearby.

He'll rest and golf this week in Palm Springs. Sunday he takes off for St. Louis—and a benefit.

## Says Cemeteries Are Filling Up

WASHINGTON (AP)—Rep. James E. Van Zandt, R-Pa., Monday introduced a bill to authorize two more national cemeteries in Pennsylvania but the proposal did not specify sites nor stipulate the amount of money to be spent.

Van Zandt said he is sponsoring the bill at the request of the Veterans of Foreign Wars which said the national cemetery in Philadelphia is full while another at Gettysburg is rapidly filling up.

## REPORT GAS TAX INCREASE WILL BE ASKED

HARRISBURG (AP)—The Lawrence administration remained silent today on published reports that the governor would ask the legislature next week for a two-cent increase in the state's gasoline tax.

Lawrence plans to unveil his spending requests for the 1961-62 period next Monday.

The governor's office said there would be no comment on the reports before then.

The gasoline tax now is five cents a gallon.

## EXPECT BOOST

Lawrence asked the 1959 legislature to raise that to six cents, but the request was pigeonholed by the Senate, then under Republican control. Democrats control both houses this year.

In view of the Democratic control and repeated statements by both the governor and his high ways secretary, Park H. Martin, of pressing needs for added construction funds, it has been widely assumed here that Lawrence would renew his plea for the penny-a-gallon boost.

Lawrence, however, has evaded answer to questions about this assumption.

It was estimated that a one-cent increase would yield \$34 million annually.

## NO COMMENTS YET

The Philadelphia Inquirer and Harrisburg Patriot both reported in this morning's editions that Lawrence would ask for double that increase, as the basis for a \$200 million road construction program.

Martin, reached in Pittsburgh, said he had not seen the governor's planned budget message and did not know anything about it.

Budget Secretary David R. Baldwin also declined comment as did Walter W. Geisley, Lawrence's executive secretary and chief aide.

## FOR STATE WORK

The tax increases, the stories said, would principally be earmarked for work which the state finances entirely on its own. The federal government shares the costs of building key roads, picking up from 50 per cent to 90 per cent of the bill.

It is in the area of wholly state-financed construction that Martin frequently has stressed need for a speedup.

## U. S. TREASURY HAS PROBLEM ABOUT SILVER

By FRANK CORMIER

WASHINGTON (AP)—The U.S. Treasury, already beset by a gold problem, is facing a troublesome silver situation.

By mid-1963, if present trends were to continue, the department would lose its long-standing power to dictate the international price of silver.

Should that happen, you might have to pay more for a wide variety of items ranging from silver jewelry to photographic film.

## WIDE EFFECTS

An increase in the price of silver also could affect coinage in many parts of the world. Some countries might find their silver coins worth more in silver than coins and toss them into the melting pot.

Balanced against these effects would be bigger profit margins for silver mining companies which presumably would expand production and payrolls.

International discussion of the silver situation has been prompted by mounting evidence that the Treasury's grip on the international silver market has been weakening.

## MAINTAINS STOCKPILE

The Treasury puts a ceiling on the price by maintaining a stockpile from which it sells to silver users. Its current selling price is about 91½ cents an ounce. Obviously, users refuse to pay more elsewhere so long as the Treasury sticks to this price.

During 1960, the Treasury stockpile was reduced by 5½ million ounces and on Jan. 1 stood at 123½ million ounces. So far this month, there has been a further reduction of more than 1 million ounces. At this rate, the supply would be gone by mid-1963.

Should the stockpile run dry, the Treasury would lose its power to dictate the price of silver. Furthermore, since the stockpile also furnishes the 40 million new U.S. coins, the department would have to go into the market

## Says Farm Show Improve Relations

HARRISBURG (AP)—The Pennsylvania Farm Show helps improve relations with the consumer public, says State Agriculture Secretary William L. Henning.

Henning spoke Monday at the annual convention of the Society of Farm Women of Pennsylvania. It was one of eight organizations which conducted meetings in conjunction with the opening of the state's 45th annual farm show.

"We are dependent upon city consumers for the bulk of our marketing. Let's show them through the farm show that they need us, too," Henning said.

The percentage of farm families among the state's over-all population is declining constantly, he noted. This, he added, points to the need for farmers "to build better consumer relations and to correct misconceptions which city people and consumer-oriented lawmakers may have about their food sources."

## BOWING OUT

STATESBORO, Ga. (AP)—"Let us bow our heads and pray," said the prison chaplain.

The prisoners and guards bowed their heads, all except Pat Patterson, 30, and Joseph Grisson, 32, who slipped out of the prison and fled in a truck.

Patterson was serving a life term and Grisson three to five years.

## to buy silver.

## RESULT OF STRIKES

In the present supply and demand situation, the price of silver would rise if the Treasury ceiling were broken. The upward price pressure stems largely from strikes which cut production in 1959 and 1960, coupled with big silver purchases by France which has adopted a heavy silver franc. In addition, the mint is using more silver for coinage and industrial uses are expanding.

One reason the Treasury hasn't been anxious to boost its fixed price is that the biggest benefits would go to foreigners. The United States uses about 100 million ounces of silver a year, of which about 65 million ounces are imported.

## HIGH FRONTS, LOW BACKS ARE NEW FASHIONS

By JOY MILLER

AP Women's Editor

NEW YORK (AP)—The sight of all those bare backs slouching up and down the ramp in gallant display of new spring clothes was enough to send sympathetic chills coursing along the spines of more than one visiting fashion writer.

Outside, the winds howled and the temperature hovered in the 20s. Inside the Hotel Pierre ballroom Monday more than 200 of the nation's fashion press watched the first afternoon showing of the New York Couture group's spring collections.

High in front and low in back dominated the three collections of Edward Abbott, Luis Estevez and Marquise.

For Abbott, Wilson Folmar had designed necklines with deep cowl in back. Often the cowls hung below bare backs.

Brief jackets or overblouses peeled off of barebacked cocktail dresses with the uplift built in, as in bathing suits. Simple silk linen shawls were cut high in front, low in back. A high cross drape at the neck with low back appeared repeatedly.

Except for an occasional overblouse jacket, waistlines were in natural position. Skirts were slim in silk or linen, floatingly full chiffon or French crepe.

Estevez paid tribute to the jet age with a many-layered costume designed to help the air passenger circumvent excess baggage charges. You don't pack your wardrobe; you put it all on your back and strip it off as necessary: coat, then jacket, then

## Dickinson Cagers Here Tonight For Two Games; GHS Idle; Other Action

Only Gettysburg College of the local basketball teams will be in action tonight, meeting Dickinson in a varsity-freshman double-header here, the freshman game starting at 6:45 o'clock.

Gettysburg High and Gettysburg Junior High have open dates this evening.

The Bullets (7-2) may find a worthy opponent in the Dickinson Red Devils (4-2). Dickinson has been improving steadily and turned in a brilliant performance Saturday in polishing off Wilkes 91-58.

Gene Becker, York, a former teammate of Gettysburg's Ron Warner, has been the leading scorer for Dickinson and tabbed 23 against Wilkes. Bill Schantzenbach and Ray Cromer, ex-Hanover High star, have been right behind Becker in point-producing.

### CATHOLIC LOOP OPENS

Tonight marks the opening of the Central Pennsylvania Catholic League.

Delone Catholic (4-3), idle since December 28, meets York Catholic at McSherrystown in its league opener.

Other league games include Shamokin at Bishop McDevitt, and Lebanon at Lancaster.

Two games are scheduled this evening in the South Penn League. Biglerville (0-2) entertains powerful Chambersburg (1-0) while Waynesboro (1-1) invades Hanover (1-1).

In the SP Junior High circuit Shippensburg is at Carlisle and Chambersburg Faust at Waynesboro.

### A-F SCHEDULE

A full set of games is carded tonight in the Adams-Franklin League.

Littlestown (2-2) is at New Oxford (1-3); Fairfield (1-3) at Quincy (1-3); Greencastle (4-0) at Bermudian (2-2); St. Thomas (4-0) at Scotland (4-0); and Fannett-Metal (0-4) at Buchanan (1-3).

## VANDERBILT KEEPS STREAK GOING AT 13

By DON WEISS

Associated Press Sports Writer  
Vanderbilt's unbeaten Commodores, Hoosier-coached and Kentucky and Indiana fed, have sailed into college basketball's elite under a fast-spreading South-eastern Conference formula: If you can't beat 'em, get 'em to come and join up!

The Commodores of Bob Polk, packed with talent from Polk's home grounds of Indiana and bordering Kentucky, shot their winning streak to 13 and their season record to 11-0 Monday night at Nashville with a 64-62 victory over Adolph Rupp's Kentucky Wildcats.

Out of the lineup was Bobby (Bimbo) Bland, their playmaker and second leading scorer who has a shoulder separation that may sideline him three weeks. But Vandy still had enough other Hoosier and Blue Grass talent to get the job done. Squad members from Indiana contributed 35 points and Kentuckians 19 points—or 54 of the 64-point total.

**BECOMES A HABIT**  
Reaching up to Indiana and Kentucky for basketball prospects has become almost a habit in the SEC the last few years as opposing coaches sought to break Rupp's Kentuckians from their stronghold on the championship.

Bill Depp, a 67 senior from Edinburg, Ind., Don Ringstaff, a 6-2 sophomore from Smithland, Ky., and Larry Banks, a 6-6 senior from Jeffersonville, Ind., were the big men in the feature of a national program in which top-ranked Ohio State whipped Evansville 86-59 without Jerry Lucas, six-ranked Iowa rallied to beat Wisconsin, 76-68, and pesky Drake spilled St. Louis, 45-44.

**WON 16 STRAIGHT**  
Ohio State won its 11th of the season and 16th over a two-year span although All-America Lucas took the night off because of a twisted knee suffered against Illinois last Saturday. Larry Siegfried, with 21 points, and John Havlicek with 19 and Mel Nevel with 16 more than took up the slack for big Luke Siegfried, with 7 straight free throws, now has hit 23 in a row in his last three games.

Iowa (10-1) ran its winning streak to eight with a 15-6 burst in the closing minutes after Wisconsin, 10 behind at the half, had taken a 62-61 lead. The Hawks did it without late help from Frank Allen, who scored 24 points and Don Nelson, who hit for 20. Allen fouled out and Nelson had to leave with a sprained foot and a deep head gash.

Drake nailed its 10th victory in 11 starts by building a 9-point lead and holding off a late St. Louis rally.

**WILT IN FRONT OF 1960 PACE**  
NEW YORK (AP)—Unstoppable Wilt (The Stilt) Chamberlain of the Philadelphia Warriors has reached the halfway mark of the National Basketball Association season scoring at a pace well ahead of the one that carried him to a record last year.

Figures from the NBA today showed Chamberlain with 1,481 points in 39 games for a 38.0 average. In his rookie year last season, the 7-foot-11 Warrior averaged eight records—among them total points (2,707) and per game average (37.6). His current pace would enable him to top last year's total by more than 300 points.

**OTHER LEADERS**  
Wilt, averaging 49 points in his last five games, edged ahead of Los Angeles' Elgin Baylor in total points although he has played three fewer games than Baylor.

In 42 games, Baylor has scored 1,444 points for a 34.4 average. Cincinnati rookie Oscar Robertson is the only other pro averaging over 30 points a game. Big O has 1,329 points in 43 games, a 30.9 pace, and continues to lead in assists with 402, a 9.3 per game average. Oscar also is challenging Chamberlain in field goal accuracy. Chamberlain has hit .480 per cent on 617 of 1,285 shots. Robertson has hit 466 of 973 for a .479 percentage.

Clyde Lovellette of St. Louis is the free throw percentage leader with 133 of 150 for .887 per cent, and Chamberlain leads in rebounds with a 27.9 per game bag compared to 23.6 for Boston's Bill Russell.

Harbin (Red) Lawson is in his tenth season as basketball coach at the University of Georgia.

## Engle Opposes Two Platoons

PITTSBURGH (AP)—Coach Rip Engle of Penn State says he's against a return to the two-platoon system in college football, although he says it would not hurt Penn State.

Engle is here for the meetings of the National Collegiate Athletic Association.

"I don't want to see a return to the two-platoon football because it will hurt the small colleges," he said Monday.

"From a personal standpoint it wouldn't hurt Penn State at all. We had it in 1952, and I had one of the best teams I've ever had."

"If we have to go out and get enough players to man two full platoons," he said, "who will get hurt? The smaller schools."

**SCRIBE SEES TROUBLE FOR SOUTH PENN**

By FRED WALTERS

HARRISBURG (AP)—A big question mark now punctuates the future of one of Pennsylvania's oldest school athletic leagues following an announcement out of Hagerstown, Md., last week.

The announcement concerned the formation of a new league, called the "Tri-State," out of schools from Maryland, Pennsylvania and West Virginia.

Waynesboro is the Pennsylvania entry and Chambersburg, Pa., also has been invited to participate.

Other schools in the new league—which will compete in football, basketball and track—are Frederick, Westminster, North Hagerstown and South Hagerstown, Md., and Martinsburg, W. Va.

Waynesboro and Chambersburg are members of the South Penn Conference, an association that traces its history back more than 30 years.

**ONCE HAD 9 TEAMS**  
The South Penn once had nine schools.

Traveling distances—it covered five counties in central Pennsylvania—helped to cool the enthusiasm of some of the entries.

Four schools dropped out to join new conferences which have sprung up in the area recently.

That left Chambersburg, Gettysburg, Waynesboro, Hanover and Carlisle in the league. Biglerville joined to make a six-team basketball circuit, but the wholesale transfer of teams to other leagues spurred talk that the South Penn was rapidly disintegrating.

There is no indication that Waynesboro or Chambersburg will discontinue participation in the South Penn. They could still play a full schedule in both the South Penn and the Tri-State.

But there is speculation whether the two Pennsylvania schools may soon end their South Penn associations, a development that would almost certainly write an end to this old conference.

**Griffith Pays Huge Sum For Territory**  
MINNEAPOLIS-ST. PAUL (AP)—Calvin Griffith's Minnesota twins are shelling out \$540,000 to the American Association for their takeover of the Minneapolis-St. Paul territory.

Griffith was nicked for just about what he stands to make in television rights for his first year of operation away from Washington.

Not everybody in the association agrees the figure is high enough.

Board Chairman Frank McKinney of Indianapolis says his club voted against it as too small. He pointed to the total \$900,000 in indemnity the Pacific Coast received three years ago when the Dodgers and Giants moved West. Each reportedly paid \$450,000.

The settlement was reached Monday in an exchange of telegrams between Griffith here and association directors meeting in Denver.

## Sees Farm System To Replace Colleges As Grid Suppliers

PITTSBURGH (AP)—A farm system similar to baseball's minor leagues eventually will replace colleges as the main source of professional football players, the president of Penn State predicted today.

In remarks prepared for delivery to the American Football Coaches Association, Dr. Eric A. Walker, said colleges and universities even now are not "particularly effective suppliers of professional talent."

"At the universities, the boys have to worry about their studies," Walker said, "besides, with standards, some of the very promising talent will not be able to get into a college at all."

**CONTRADICT VIEWS**  
Dr. Walker's comments offer contradiction to the view expressed generally by college baseball coaches at their meeting during the past weekend.

The belief expressed there was that the major leagues eventually would rely mainly on colleges to supply baseball talent and that the minor leagues would fade into unimportance.

Dr. Walker cited the amount of time involved in practice as a time favoring the adoption of a farm system by professional football. He said:

**WILL DECIDE ISSUE**  
"I'm sure the difference between an apprenticeship carried on after four o'clock in the afternoon for a limited season of the year and one that involves two 3-hour practices a day for as long as the weather permits will decide the issue in favor of the latter, as far as the pros are concerned."

Walker also said the higher admission standards being adopted by colleges and the greater availability of football, mainly through television, will help to "reemphasize the sound and solid values to be gained from collegiate football."

**REGAIN PERSPECTIVE**  
He added, "the greater availability of football... has seemed to have dissipated, to a certain extent, the wild excitement and the excessive emotion that used to surround Saturday afternoon's spectacle."

"This should help us to regain some perspective and, again, to correct some of the abuses that the critics keep referring to. It would even seem to be in the realm of possibility that a coach could get through a season without developing an ulcer."

**Mahovich Pushes Pacesetter In NHL**  
MONTREAL (AP)—Bernie (Boom Boom) Geoffrion of the Montreal Canadiens, pacesetter in the National Hockey League's scoring race, lost a lot of ground last week to galloping Frank Mahovich.

The free-wheeling leftwinger of the Toronto Maple Leafs helped himself to a whopping eight points on three goals and five assists. He moved from fourth place to second, bypassing two other Montrealers, according to official statistics released today.

Geoffrion has 58 points and Mahovich 53. Dickie Moore and Jean Beliveau of Montreal are tied for third place with 49 each.

## N. CAROLINA INELIGIBLE FOR CAGE CROWN

PITTSBURGH (AP)—The University of North Carolina was placed on probation for one year today and ruled ineligible for the National Collegiate basketball championships.

The National Collegiate Athletic Association imposed the same penalty on Loyola of New Orleans and slapped Arizona with a one year probation without additional sanctions.

But Oklahoma again was eligible for bowl games and available for national football telecasts.

The Sooners were restored to full privileges in the NCAA Monday night when a year-old indefinite probation was lifted by the NCAA Council.

**WORK NOT COMPLETED**  
The council did not complete its work in the North Carolina and Arizona cases and the decisions were put off until today.

North Carolina was under investigation for alleged violations of the NCAA code in regard to basketball recruiting; Arizona for recruiting and financial aid to football players.

The Tar Heels of basketball coach Frank McGuire, currently ranked seventh in The Associated Press poll, are a recognized national power.

Arizona's strong game is baseball. Coach Frank Sance's teams have won three straight District 6 championships and five out of the last six. Arizona was runner-up in the college world series in 1956 and 1959.

NCAA penalties vary. Sometimes the penalty applies only to the sport in which the infraction occurs. In the more serious cases all athletic teams of the offending school suffer.

Auburn, for instance, has been on probation for nearly five years. During that time none of its teams has been eligible for tournaments, bowls or telecasts. But so spring sports would not be penalized a sixth season, the NCAA Council Monday set April 21, 1961, as the date Auburn's probation will terminate. It had previously been Sept. 1, 1961.

**FREE OF IRREGULARITIES**  
Southern California, which got in trouble over football recruiting, was stripped of all postseason rights during 1959 and football telecasts in 1960. The Trojans' probation was ended Monday, as was Tulsa's. The latter school, another football offender, was on a year's probation.

The NCAA said it had been able to investigate more fully the details of an Oklahoma recruiting fund that had existed from 1952 to 1954, and the investigation showed the Sooners were now free of any irregularities in regard to financial aid to football players.

Mt. St. Mary's racked up its seventh victory of the campaign by easily defeating Western Maryland's cagers 85-70 at Emmitsburg Monday evening in a Mason-Dixon Conference game.

The Mount is now 7-2 overall and 4-0 in the conference. Western Maryland has an overall 8-4 record and 2-3 league mark.

It was Mt. St. Mary's all the way as the Mountaineers rushed off to a 20-8 lead in the first 10 minutes of play during which the Terrorists were limited to four field goals. At half time the Mount held a commanding 44-20 advantage.

Jim Phelan started pouring in his substitutes after his team had piled up a 74-41 lead with but seven minutes of play remaining.

Jack O'Reilly connected for 25 points and was credited with 18 rebounds for the Mount before being withdrawn with 10 minutes of play remaining.

Dick Talley and Dave Samuels landed 15 and 13 to bolster the Mountaineers

## DIMS DRIVE IS LAUNCHED IN COMMUNITY

Mrs. Atlee F. Rebert, Prince St., is chairman of the March of Dimes Drive in Littlestown for the current year, her fourth year of service in this capacity. Coin boxes for contributions have been placed in the business establishments throughout the community. Individuals and organizations are invited to send donations for the fund to Mrs. Rebert.

Marilyn Miller was leader at the meeting of the Youth Fellowship of Redeemer's United Church of Christ on Sunday evening, and led the discussion on the topic "Alcohol." There was a brief business period in charge of Judy Flinchbaugh, president. Tentative plans were made for an ice skating party, weather permitting. Group games were played, led by the adult counselors, Mr. and Mrs. Harold O. Sentz and Mrs. Clyde W. Crouse. Gregory Myers was appointed to be leader for the meeting next Sunday at 6:30 p.m.

## SUDDEN DEATH

Mr. and Mrs. Calvin M. Sentz Sr., Littlestown R. 2, have received word of the sudden death of their five-month-old grandson, Steven James Sentz, son of Dr. and Mrs. James C. Sentz, St. Paul, Minn. The child died on Saturday morning at his home in St. Paul. Funeral services and burial took place on Monday in St. Paul. Dr. and Mrs. Sentz and family spent five days over Christmas with their parents.

Twenty-eight young people attended the meeting of the Luther League of St. John's Lutheran Church on Sunday evening. Betty Leister, leader, presented the topic "Is the Church Overloaded." Bonnie Breene, treasurer, gave her report. Fred Leister was appointed to be leader for the meeting next Sunday at 6 p.m.

## PROGRAM ON CANCER

The Woman's Community Club of Littlestown and Vicinity and the Junior Woman's Club of Lit-

tlestown will gather for the annual interclub night meeting on Wednesday at 8:30 p.m. in the social room of the Eagles Home, W. King St. The session will follow the community preaching mission service and the club-goers are invited to attend the service before attending the meeting. There will be a short film shown on cancer, after which Dr. Bruce N. Wolf and Mrs. David Blocher, Gettysburg, will speak concerning establishing a cancer center in town. Each club will conduct a brief business period. A film on interior decorating will then be shown. The Junior Woman's Club is the hostess group this year and refreshments will be served by the program committee, Mrs. Harold R. Hand, chairman.

Election of officers will be held at the January meeting of the Littlestown Fish and Game Association, Inc., on Wednesday at the clubhouse, Germany Twp. The session will convene following the community preaching mission service at 8:30 p.m.

Mrs. Junior T. Bittle is chairman of the program committee for the monthly meeting of the Ladies' Aid Society of St. Luke's Union Church, near White Hall, at 7:30 p.m. on Wednesday at the church.

The January meeting of the Ladies' Auxiliary to Ocker-Snyder Post No. 6854, American Legion, will be held at 8:30 p.m. on Wednesday at the home of Mrs. Noah C. Snyder, N. Queen St. The meeting will be held after the union preaching mission service. Mrs. Ivan D. Rickrode will assist as hostess.

The Boy Scouts of Troop 84 will have a short session on Wednesday at 6:30 p.m. in the community building on E. King St. The Scouts will then attend the 7:30 p.m. preaching mission service in St. Paul's Lutheran Church in a body.

Sunday visitors with Mrs. Thomas O. Weaver at the home of her son-in-law and daughter, Mr. and Mrs. Paul E. Altoff and family, E. Myrtle St., were Mrs. G. Irvin Reindollar, Miss Florence Reindollar and Mr. and Mrs. Wilbert Haare, York; Mr. and Mrs. Jean L. Sneeringer and daughter, Jean Marie, New Oxford R. D.

## CAT-ASTROPHE

TULSA, Okla. (AP) — A cat jumped at some birds perched on a bank of electrical transformers. He lost all nine of his lives via 13,000 volts, missed his prey and put 4,000 homes without electricity for half an hour.

SALIDA, Colo. (AP) — Two men purchased overshoes within minutes at a local bootery. Both wrote checks.

Later, the merchant, preparing a bank statement, noted the names. First one was Cain, the other Abel.

## FALSE TEETH

## That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH on the alkaline (non-acid) powder on your plates. Hold false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor breath." Get FASTEETH at drug counters everywhere.

## Limit Travel Of Russians In State

WASHINGTON (AP) — Russians can no longer travel in Blair, Cambria, Indiana, Lackawanna, Mercer, Monroe and Pike counties in Pennsylvania.

But Bucks County—previously closed to them—is no longer off limits.

The State Department announced the new traveling rules for Russians on Saturday. There was no explanation of the action. The State Department has limited travel by Russians in the United States ever since the Soviet Union imposed restrictions on Americans several years ago.

## Sen. Clark Plans To Introduce Bill

WASHINGTON (AP)—Sen. Joseph S. Clark, D-Pa., planned today to introduce a bill to extend the federal public assistance program to cover children in need because their parents are out of work.

He estimated 800,000 children would be helped by the bill. Because of present restrictions, Clark said, unemployed fathers sometimes desert their families so the mother and children can become eligible for assistance to dependent children.

## GET TOUGH ON DRIVERS

CHICAGO (AP) — The New England States have agreed to guarantee the appearance in court of traffic violators arrested out of their own states.

The Council of State Governments says accident and violation information also is sent by each of the states to the motor vehicle administrator of the driver's home state.

If violators do not appear, driving privileges are suspended.

## Bail Jackie Coogan On Narcotics Count

LOS ANGELES (AP) — Actor Jackie Coogan, 46, is free on bail today, accused with three others of possessing marijuana.

Sheriff's deputies raided his home in the exclusive Malibu Beach colony Saturday. Officers said they found three partly smoked marijuana cigarettes and three ounces of loose marijuana in the house.

Booked with Coogan were Nona Carver, 40, who described herself as a former exotic dancer; Arthur C. Ringer Jr., 31, dance instructor, and Edward Norris, 45, an actor. All denied knowledge of any marijuana.

## HAGERTY IS INTRODUCED ON ABC MONDAY

By CYNTHIA LOWRY  
AP TV-Radio Writer

NEW YORK (AP)—The American Broadcasting Company introduced its new vice president, James C. Hagerty, at a news conference Monday. It also disclosed a bit of its plans to compete with the other two TV networks in the area of news and public affairs.

Hagerty will move into John Daly's old chair as head of news and special events two days after the presidential inauguration ends his job as press secretary to Dwight D. Eisenhower. Introduced to a roomful of reporters, Hagerty said he plans to strengthen greatly ABC's reporting staff, particularly in Washington and abroad, but warned that the changes would be neither dramatic nor fast.

He did say, however, that he expects to stay permanently behind the cameras—not take a broadcaster's role as Daly did.

## "WITNESS" TO GO

Despite medical care and extensive surgery, CBS' "The Witness" series will succumb after its Feb. 2 show. The end, when it comes, is the result of faulty ratings which even a change of climate—from an early to later spot in the Thursday night schedule—failed to improve.

Before it departs forever, there is one show of special interest: the simulated investigation into the activities of Ma Barker next Thursday. Ma, as crime aficionados know, was the leader of a vicious gang of robbers and kidnapers who raised her four sons to follow in her footsteps and who was shot down by federal agents 25 years ago.

Recommended tonight: "Salute to a Patriot," NBC, 10 EST—a tribute to President Eisenhower, with appearances by John F. Kennedy, Richard M. Nixon, Nehru, Konrad Adenauer, Harold Macmillan and other world and national leaders.

# Kennedy Will Be Expected To Stimulate Promise To Seek Faster-Growing Economy

Editor's note — President-elect John F. Kennedy faces two major economic problems as he prepares for his inauguration next week. One is a recession at home. The other is continuing flow of U. S. gold abroad. Here's a report on his likely approach toward the two big economic issues, second in a five-part series on plans and problems of the new administration. It is written by an Associated Press reporter who specializes in business and economic news beats in the nation's capital.

By FRANK CORMIER

WASHINGTON (AP) — As a presidential candidate, John F. Kennedy urged a faster-growing economy. As the president, his first problem will be to make it grow.

The economy hasn't been growing at all since mid-1960. It has slipped into its fourth recession since World War II and most forecasters see little hope of an upturn before spring or summer. Determined to hurry the recovery, Kennedy is expected to unveil an antirecession program soon after he is inaugurated on January 20.

Even as he does so, however, Kennedy will keep one eye cocked over his shoulder at the second major economic problem he will inherit—the whopping deficits in the U. S. balance of international payments.

## LOSS OF GOLD

With Americans and their government paying out more money abroad than they receive, foreigners are collecting extra dollars with which they can buy American gold. The payments deficit approached \$4 billion in 1960 and gold sales to foreigners hit \$1.9 billion.

Dealing with this problem cannot be postponed, because it is causing foreign anxiety about the future of the dollar, the keystone in the free world economy. A sour dollar obviously would wreck Kennedy's plans for enhancing the nation's prestige, not to speak of other effects.

Were the Eisenhower administration remaining in office, its attack on the recession might be inhibited to an important extent by the gold problem.

## FEAR OF INFLATION

Eisenhower backers say, for example, that such traditional recession cures as pump priming (red ink) spending by Uncle Sam might worsen the gold situation by eaning in the direction of inflation. Rising prices would make it more difficult to sell U. S. goods abroad and earn the money that could reduce the payments deficit and buttress the dollar.

Kennedy, while deeply concerned about the gold-payments problem, will give first priority to the recession. He is expected to prime the economic pump, probably through a speedup in defense spending and road building, stimulation of housing and expanded employment benefits.

MORE MORE President Eisenhower has planned for a balanced budget in the coming fiscal year, and Kennedy has declared himself generally in favor of that objective. Whether it can be achieved, however, seems certain to hinge on actual economic developments, as well as presidential intent. The Eisenhower administration has experienced several big deficit years

due mainly to business slumps. Should emergency government action become necessary, economists believe Kennedy will not hesitate to propose them—including deficit-spending measures.

## MAY ASK TAX CUT

While the incoming president may trim his antirecession program to a limited extent because of the gold situation, he will not let gold call the tune.

Should the recession get severe enough, Kennedy might even ask Congress for a temporary tax cut to give the public more spending money. With Eisenhower, this would be a most unlikely maneuver.

In the final analysis, Kennedy may be willing to take a few risks with the gold situation because of his avowed determination to promote a dynamic economy able to afford broader social welfare programs. This goal will have equal rank with his foreign policy objectives.

The President-elect made this clear during the campaign by repeatedly arguing there can be no strength abroad without strength at home.

## DISPEL FOREIGN FEARS

Indeed, Kennedy contends the image of a vital, expanding America would do much to dispel nagging foreign fears about the dollar.

Even so, he won't be able to let the gold problem slide, particularly since his antirecession measures will tend to raise new questions about the gold situation.

Eisenhower has attacked the payments deficit by curbing federal spending abroad, calling for reducing the number of military dependent overseas, promoting exports, and urging more help from other nations in financing the free world's defenses and development.

Kennedy may make some modifications but won't undo the whole package unless there is a significant reduction in the gold drain. Since foreigners bought more than \$370 million of U. S. gold last month, that reduction is yet to come.

Finally, even as he worries about gold and the recession, Kennedy will be pushing for a long-term economic growth program and an attack on the persistent unemployment problem.

In one of the sharpest shifts of policy direction in the economic field, the Eisenhower administration's preoccupation with fighting inflation is expected to be subordinated to new emphasis on full employment and economic expansion.

## Expectant Mare Stays In Kitchen

GIRARD, Pa. (AP) — The fire in the kitchen stove at the farm home of the Kenneth Cushman family near this Erie County community has been burning at night for the past two weeks because of Lassie.

Lassie, the family's nine-year-old mare, neighs when the fire in the pot-belly stove begins to ebb. This is the signal for someone to put more coal on the fire.

Lassie, expecting a colt soon, was moved into a special built stall in the kitchen because she came down with pneumonia.

The family says she seems to be recovering.

## EISENHOWER LAUDS NIXON ON BIRTHDAY

By ERNEST B. VACCARO

WASHINGTON (AP) — Vice President Richard M. Nixon's political stock has been strengthened by a birthday tribute in which President Eisenhower led the cheering section.

The occasion was a 48th anniversary celebration Monday night at which Eisenhower praised the defeated 1960 presidential candidate for services "invaluable to government." He said Nixon was "a warm friend."

More than 1,000 Republicans paid \$12.50 per seat for a dinner party honoring Nixon and his wife Pat. The party, sponsored by the Republican Capitol Hill Club, was held in a downtown hotel.

## "OUR FRIENDS"

Nixon, who lost one of history's closest presidential contests in November to John F. Kennedy, assured his admirers he would do everything in his power for the Republican party in the years ahead.

He said that while "nothing succeeds like success in political life," he was grateful for the people who came to shake his hand and urge him to continue his leadership of the Republican party.

"We lost the election," he said, "but I find here tonight not people who care whether you win or lose, but people who are our friends."

## STAYED 3 HOURS

The President, in a buoyant mood, told the diners he had expected to stay only a short time. He said he expected "short shrift after which they will throw me out after the soup."

But he stayed on for 3½ hours, explaining he was hungry and wanted to be around for all of the party. And, he added, if he left early he wouldn't get to make a speech.

"The one thing I like to do is talk to Republicans," he said.

Nixon was obviously pleased at Eisenhower's assertion that he had been one of the mainstays on his administration and a personal helper. The President pointed out that he came primarily to express personal appreciation for Nixon's willingness to undertake any chore.

## Man, 80, Pleads Guilty Of Murder

EBENSBURG, Pa. (AP) — Andrew Ohala, 80, of Franklin Borough, a Johnstown suburb, has pleaded guilty to a general murder charge in the death of his 74-year-old wife.

Ohala entered the plea before a justice of the peace Monday and was lodged in Cambria County Jail without bond.

County officials said Ohala told them he struck his wife with an unopened pop bottle during an argument Sunday at the family's home.

A newborn rabbit is hairless and his eyes are closed for a week or more.

## DR. CROWDING OPEN SERIES MONDAY NIGHT

"Get Lost" was the theme of the sermon delivered by the Rev. Dr. W. Lynn Crowding at the community preaching mission service Monday evening in St. Paul's Lutheran Church. The Rev. Dr. Crowding, guest missionary for the week and pastor of the Shippensburg Methodist Church, said, "In order to lose ourselves we must first find ourselves in something greater than ourselves."

The Rev. William R. Jones, pastor of Centenary Methodist Church, presided for the worship, which included: Congregational hymn, with Mrs. Karl P. Bankert, host church organist, presiding at the console; invocation, the Rev. Mr. Jones; responsive reading of the Psalms; Gloria Patri; Scripture reading; pastoral prayer; offering; anthem, "Stand Up for Jesus"; Centenary Choir; sermon; hymn; benediction. A large congregation attended the service and groups present included the Women's Guild of Christ United Church of Christ and the Women's Guild of Redeemer's United Church of Christ.

The Rev. David S. Kammerer, local retired Lutheran minister, will preside for the worship this evening at 7:30 p.m. in St. Paul's Church, replacing the Rev. G. Howard Koons, pastor of Christ Church. The latter's activities are limited due to a broken ankle. The service will include an anthem by the Christ Church choir.

## SERVICE AT SCHOOL

The Littlestown Ministerium, which sponsors the annual preaching mission, will conduct and participate in a service for the Littlestown Junior-Senior High School students on Wednesday at 1:30 p.m. in the school auditorium. A message will be brought by the Rev. Dr. Crowding.

The worship on Wednesday evening will be provided over by the Rev. William C. Karns, pastor of St. John's Lutheran Church, and St. John's Choir will sing. The Cub Scouts of Pack 84 will attend the mission service in a body on Wednesday in uniform. The boys will meet at 7:15 p.m. at the church.

The Woman's Society of Christian Service of Centenary Church will go in a body on Wednesday evening to the mission service instead of attending the service as a group this evening as previously announced.

## AT DISTRICT MEETING

Eleven members of the Ladies' Auxiliary of the Fraternal Order of Eagles, Littlestown Aerie No. 2226, attended the district meeting Sunday afternoon in York. There was a class initiation in honor of Mrs. Ruth Crouse, zone chairman for 1960-61; Mrs. Helen Bailey, zone chairman for 1959-60; Mrs. Mabel Rittase, zone chairman for 1958-59; Mrs. Katherine Baublitz, auxiliary mother, and Mrs. Elizabeth Steins, president. Each person honored received a red rosebud corsage.

Those who went to York from the local unit were Mrs. Edna Olinger, Mrs. Anna Mellama, Mrs. Louise Myers, Mrs. Mabel Rittase, Mrs. Ruth Hofe, Mrs. Estella Pottoff, Mrs. Ruth Fuhrman, Mrs. Rita Hoke, Mrs. Learma Bowman, Mrs. Evelyn Staveland and Mrs. Ruth Crouse.

Members of the FOE who attended the district meeting in York Sunday afternoon were: Fred Harner, Clark Fuhrman, Russell Pottoff, Monroe J. Staveland, Albert Carbaugh Sr., Albert Carbaugh Jr., Robert J. Bevenour, Guy Smith, Edward Ulrich, George Beard, Erwin Kress, Oscar Lemmon and Edward L. Warner.

The handsome 6-footer, who stayed in contention in the early rounds with a 67-70-71 climaxed his bid with a brilliant 67 and a 72-hole total of 275.

This was nine strokes under par-71 for the Rancho Golf Course and gave Goalby the victory by three strokes.

Goalby wore down seasoned Paul Harney in a head-to-head duel. It started with Harney one shot in front as the final play began.

OTHER SCORES The popular Paul finished with a 72 for 279.

A brief rundown of the front finishers after Goalby: Eric Brown of Scotland, 66, and Art Wall Jr., 67, tied for second and a reward of \$3,325 apiece.

Harney, 72, Ken Venturi, 68, and Billy Casper, 70, tied at 279, \$2,133 apiece.

Deadlocked at 280 were Gary Player, Tom Aaron, Gardner Dickinson, Bill Collins and Lionel Hebert.

## DIES OF INJURIES

## More Dreary Years In Prison Ahead For Five

PHILADELPHIA (AP) — Five men with the end of their jail terms in sight might have to spend more dreary years in prison for trying to break out of Eastern State Penitentiary.

George Allen, a 24-year-old Philadelphia, for example, already has served the minimum of his one-to-three year sentence for auto theft.

Donald A. Dunn, 29, has served six years of his three-to-ten year sentence for burglary and larceny in Pike County.

## TRIED "BREAK"

Yet they and others like them joined the attempt to break out of the ancient gray prison Sunday night.

Why they did so, while others remained in their unlocked cells, was a question still to be answered by the officials conducting an investigation.

Acting Dist. Atty. Paul M. Chalfin said the mutineers—30 in all—will be charged with prison breach and a variety of other crimes, as yet unspecified. Conviction for prison breach carries a maximum sentence of 10 years, the term to start after the old one ends.

## GOALBY TAKES HOME \$7,500 FOR OPEN WIN

By BOB MYERS Associated Press Sports Writer LOS ANGELES (AP) — Bob Goalby, voted golf's "freshest man of the year" as a professional in 1958, today earned another diploma as a winner.

The 29-year-old Goalby headed for the San Diego Open this weekend with \$7,500 in the bank as the not-so-surprising winner of the \$45,000 Los Angeles Open.

The lack of surprise was that Goalby wound up 1960 winning the \$20,000 Coral Gables, Fla., Open plus the fact he finished in the first five in seven other tournaments last year and collected \$28,380 in prize money.

## FINAL 67

The handsome 6-footer, who stayed in contention in the early rounds with a 67-70-71 climaxed his bid with a brilliant 67 and a 72-hole total of 275.

## May Increase Spending To Curb Unemployment, Says Scribe Of President-Elect

NEW YORK (AP) — The new report on the number out of work — and especially the prospect that the ranks will grow — will add to the pressure on congress to do something about the jobless problem.

Ten days before he takes office, the president-elect already has been advised by a number of task forces to take steps aimed at various and quite different goals but that also add up to much more federal spending.

And that, at least in theory, usually translates into making more jobs — at least for the time being.

## INCREASE PAYMENTS

A specific salve offered for the jobless ailment is an increase in unemployment payments or their extension over longer periods.

An intermediate cure proposed is a cut in income tax payments or a moratorium on withholding taxes. This is aimed at giving consumers more money to spend, thus increasing effective demand for goods and services and as a final result stimulating the hiring of workers.

More government spending would have a longer-term effect, since such projects take time to get under way.

What the president-elect will recommend to Congress, and what the law makers will do about it, remains to be seen.

## MORE DEFENSE SPENDING

More defense spending seems sure of being voted. The hassle will be on how to spend the additional funds.

Considerable controversy may greet any proposals by the White House for a large federal outlay for education, whether for teachers' pay or for school construction.

Increased foreign aid spending is favored by those worried by the Communist inroads in Africa, Asia and Latin America. Opponents have a new talking point just now — more foreign aid could boost the deficit in our international payments and lay the basis for still more loss of our gold. The final stake: confidence in the American dollar.

## MORE SPENDING

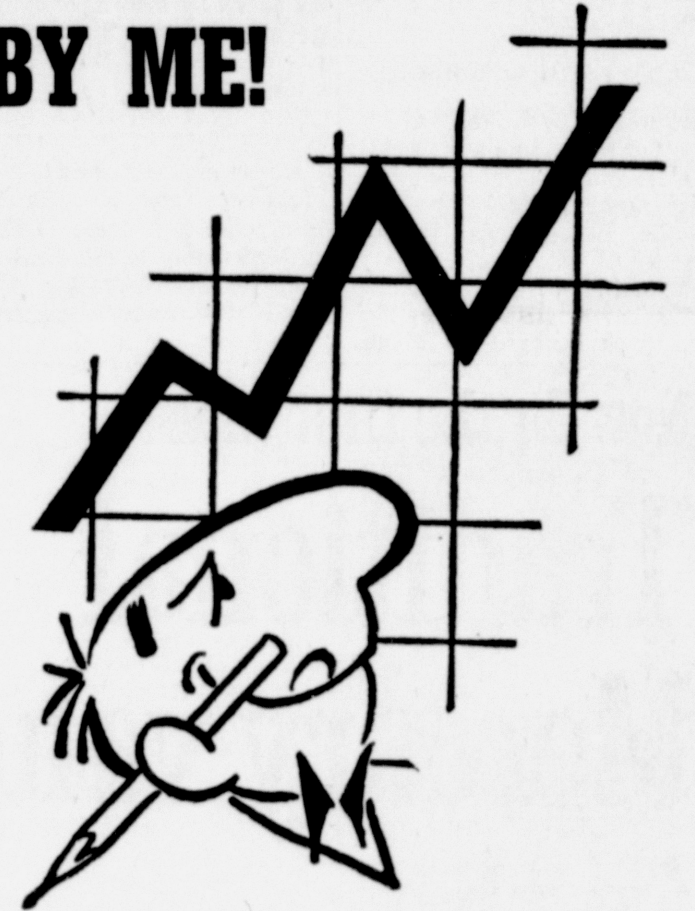

More spending for health and welfare projects, especially just now for medical care for the aging, is being vigorously pushed. Federal outlays to spur housing construction, a speedup in highway spending, more slum clearing projects, increased development of natural resources — all are pushed by various task forces, or by state and local governments, or by private groups dedicated to them.

Even while Congress is considering whatever such requests the new president may pass along, another problem may be rising.

Incoming Treasury Secretary Douglas Dillon says he wants a balanced federal budget, or at the very least a deficit small enough to add but little to inflationary pressures that would undermine the dollar.

He could find himself in conflict with any Cabinet colleagues who want big spending programs for their departments.

## SCRIBES GIVEN A PREVIEW OF NEW FASHIONS

NEW YORK (AP)—More than 200 fashion writers from throughout the country were served a smorgasbord of spring trends Sunday in the first day of press week sponsored by the New York couture group.

Tidbits in millinery, shoes and children's wear were offered during the afternoon, with some solid fare in the evening when International Silk Association members introduced numbers from the spring collections of well-known American designers.

Much of it was served with a side order of the style influence of the wife of President-elect John F. Kennedy.

### GIVES WORD PICTURE

Audiences heard the "best hatted award winner of 1959," Eleanor Searle Whitney (in a red derby), describe a series of miniature sailboats, silhouette turbans, and wide-brimmed cloches with the come-hither appeal. But in between sentences the ladies whispered about the startlingly realistic mannequins of the Kennedys brought out at the John Fredrick's hat show earlier and designed to star in retail store windows next spring.

Through the day reporters filed this fashion data in their notebooks.

The "leaning tower look" will be the fashion posture for 1961.

### WALKING SLANT

Never mind carrying books on your head or straightening your shoulders. Pile your hair high, tilt your chin forward, slope your shoulders and push your tummy forward a bit so that you look like you slant when you walk.

In shoes the foot will be elongated, the point not quite so severe, and with much of the style carved into the shape of the heel.

Dresses will be minimized, sans sleeves and collars, designed with fluid, vertical lines. These will be counter-balanced boldly, with wide bands, narrow piping, and contrasting panels.

### LIFT FROM GOVERNOR

MORGANTOWN, Pa. (AP)—Gov. Lawrence gave a lift Sunday to a Delaware County couple and their two small children stranded in the Pennsylvania Turnpike near here.

Mr. and Mrs. Byron J. Weidore, of Morton, were standing by their car, which had run out of gas,

## Arrest Driver On Accessory Charge

TAMPA, Fla. (AP)—One man is in custody on an accessory charge in the \$421,961 armored car vault burglary, and police say they recovered \$9,980 of the Dec. 27 haul.

Jose Lino Alvarez, 42, was arrested at his home Saturday night. An employee of the Rasdale Armored Car Service at the time of the theft, he was fired that day after allegedly refusing to take a lie detector test or answer questions.

Officers said that after they seized Alvarez at his home, they found in an east Tampa house a cardboard candy box containing part of the loot. The house is owned by Margaret Dorado, a sister of Alvarez.

Alvarez was charged with aiding and abetting other persons in the burglary, largest in Florida's history.

## Orrtanna

### MRS. LUTHER WETZEL

ORRTANNA — The Orrtanna MYF met on Wednesday evening in the youth building of the local Methodist Church for their semi-monthly meeting.

The devotions were in charge of Miss Sandra McClellan after which the secretary and treasurer reports were given. Planning for activities and projects for the next six months followed. Doughnuts will be sold by the group on Doughnut Day.

A play will be given by the group in March, the date to be announced later. Activities will include a skating party in February, a bowling party in March and a hay ride in April. Refreshments were served by Miss Patsy Harbaugh and a social hour followed. Next meeting on January 18 at the same place.

A total of \$32.49 was cleared from the apron social held in the Orrtanna Methodist Church hall Friday evening by the Margaret Donaldson Class of the church. About 30 persons attended. A chicken potpie supper was served. Games followed.

Mrs. Ruth Spence will be hostess to the Margaret Donaldson Class of the local Methodist Sunday School for their monthly meeting at her home Thursday evening at 7:30. Mrs. Mary Treasler is teacher.

Mrs. Irene Stansbury will be when the governor came by.

Lawrence and his chauffeur, state police Sgt. Lester Jackson, took the family to the Bowmansville state police barracks. Officers then sent a service truck to get the Weidore car going.

## TWO SENATORS RETURN TO TV

WASHINGTON (AP)—Pennsylvania's two senators resumed their every-other-Sunday television appearances Sunday and disagreed on the state of the nation.

"My sympathy and heart goes out to the next president of the United States who is going to inherit a really terrible condition of United States prestige," said Sen. Joseph S. Clark, a Democrat. "I do not blame this exclusively on the Eisenhower Administration."

Sen. Hugh Scott, a Republican, disagreed with Clark that United States prestige abroad is now at a low point.

"I won't be led into discussions to the contrary for the simple reason that the whole world still looks to us on every issue that comes up, particularly as to what we're going to do about it," said Scott.

The senators did agree during their panel discussion that there should be a bi-partisan foreign policy in the Kennedy Administration.

## Identify Body Found In House

PHILADELPHIA (AP)—Police have identified the body of a man found in a vacant house as William Hurly, 51, of Chester.

The body was found Saturday by two men who had gone to board up the vacant house. Identification was made Sunday from papers found in his personal effects in the house.

A medical examiner said Hurly died of natural causes, and had been dead about two days when found.

hostess Wednesday evening at her home here at 7:30 to the Friendship Circle Class of the local Methodist Sunday School. Mrs. Mary Hess is the teacher.

Mr. and Mrs. Wilmer Staub and family moved recently to the Rice-Lott farm, the former Sheely Bros. farm on Orrtanna R. 1 from New Oxford. The property was recently vacated by Nelson Shultz who moved to the former Scott's School, another property on the Rice-Lott farm.

I. Z. Musselman has returned to his home here from St. Petersburg, Fla. He accompanied his wife there during the holidays. She is spending the winter there.

Earl Singley is doing satisfactorily following a minor operation at the Warner Hospital last Monday. Mr. Singley is at his home but returns to the hospital for treatment.

EAST BERLIN — Robert H. Boyer who has spent two months with his parents, Mr. and Mrs. Harold Boyer, East Berlin R. 1, has returned to Anchorage, Alaska, where he is employed.

Mr. and Mrs. Merle Shetter and family, Pittsburgh, spent the weekend visiting with Mr. Shetter's parents, Mr. and Mrs. George Shetter, W. King St.

Mr. and Mrs. Marsden Emig and family, Lexington, Ky., spent the holidays with relatives here.

Donald Eugene Boyer, son of Mr. and Mrs. Harold Boyer, East Berlin R. 1, was among six York Countians who were inducted into the armed forces January 3.

Those attending the party held by the confirmation classes of Zwingle's United Church of Christ were: Susan Chronister, James Kauffman, Kenneth Deardorff, James and Glenn Schmuck, Susan Hoffman, Suzanne Wallace, Vickie Glatfelter, Penny Oberlander, James Menges, Edward Cramer, Virginia and Barbara Hull, Jean Gross, Daniel and Donna Leathery and Rev. and Mrs. Anderman and children.

## SAYS SCHOOLS VIOLATE CODE

HARRISBURG (AP)—A research team assigned by Gov. Lawrence's Committee on Education says school code requirements for district reorganization according to county plans have been either evaded or ignored.

Under the plan county superintendents were supposed to draw up county merger plans between July 1947 and July 1948. The plans were to have been submitted to the State Council of Education and, if approved, put on the ballot in a referendum.

The researchers, who reported their findings over the weekend, said the plans were drawn up on paper but most "still languish in filing cabinets."

### TAX BASES ARE BARRIER

The report said 1,600 pupils is

David, Beth and Doris.

Mrs. Mabel Fahs, E. King St., underwent surgery Friday at the York Hospital where she is reported in satisfactory condition.

Recent visitors at the home of Jesse and Ida Gentzler, W. King St., were: Mr. and Mrs. Lyle Bowen and children, Mr. and Mrs. Calvin Nitchman and Mrs. Roy Wolf and daughters, all of York.

EMMITTSBURG—The sodality of St. Joseph's Catholic Church held its annual Christmas party recently at the Green Parrot Tea Room with 50 members and guests present. Preceding the party a short business meeting was held and the following officers were elected: President, Ann Topper; vice president, Loretta Adelsberger; secretary, Barbara Arnold; and treasurer, Gloria Martin. Following the luncheon gifts were exchanged and card games played. Members presented a gift to the president and

the minimum for a good school system and nearly half of all jointures have less than 1,600 pupils.

The largest barrier to consolidation, the report said, has been the difference in tax bases. This, it said, has hampered jointures and virtually stopped mergers and unions.

During the past 12 years, the \$800-per-teaching-unit payment for union and merged districts has eliminated only 501 small districts.

During the same period, 1,850 districts formed jointures and received a payment of \$500 per teaching unit.

to Father Sleasman.

The Francis X. Elder American Legion Auxiliary met Wednesday evening in the post home for the monthly meeting with President Kathleen Shorb presiding. It was announced that the Western Maryland District meeting, scheduled for January 15, had been postponed until February 19 and will be held in Hagerstown. Several thank-you notes were read plus a report from Philip Sharpe on the 13th annual veterans' party at Victor Cullen Hospital. Twenty-three veterans were at the hospital over Christmas and each was presented gifts through the courtesy of the local VFW, American Legion and auxiliaries.

A report was given on the auxiliary Christmas party held December 4. Membership chairman Madeline Harner reported 81 members to date. Mrs. Laura Fritz's name was called for the door prize. The refreshment committee for next month is Ann Topper, Mary T. Miller and Melva Hardman. Members were asked to help at the annual party given by the Legion members on January 21.

The Emmitsburg Homemakers Club held its annual Christmas party Thursday at the Green Parrot Tea Room with 15 members present. Following the luncheon the afternoon was spent in playing cards and exchanging gifts.

Mr. and Mrs. Joseph Eyer Jr. observed their 47th wedding anniversary on New Year's Day.

The regular monthly meeting of the Francis X. Elder Post 121, American Legion, was held Tuesday evening with Commander Robert L. Myers in charge. The blood donor report for December showed the following donating blood: Clarence Shorb, Donald F. Topper, Luther Zimmerman, Joseph Ott, Michael Boyle and John Humerick. The hospital visitation committee chairman, Philip B. Sharpe, reported that the annual visits were made to Victor Cullen and Newton D. Baker hospitals. Fifty-two patients were visited and given gifts. The annual Christmas treat for the local school children was held in conjunction with VFW Post 6638. It was decided to hold the annual party for members January 21 in the post home. The committee for this affair is Clarence Shorb, Andrew Shorb, William E. Sanders, Robert Shorb, Charles B. Harner, Robert L. Myers, Richard McCullough, Curtis Topper, Donald F. Topper and Thomas Harbaugh. Admission will be \$1.50 per person. It was announced that the commander, adjutant and members of the honor guard recently attended the annual commanders and adjutants conference held in Baltimore.

Sunday night the 72-year-old chief executive returned, determined and a bit wiser.

But this time the stool was gone and in its place was a sturdier chair. And for the milking process, Lawrence used an automatic machine instead of roughing it as he did a year ago.

Everything came off fine.

ADVERTISE IN THE TIMES

## RESCUE YOUTH IN MINE SHAFT

VIRGINIA CITY, Nev. (AP)—Larry Dacek, 15, of Reno, was recovering at home today from the effects of a close brush with death.

He was rescued Saturday night from a shaft over the Suto tunnel in Virginia City's Comstock Lode country.

Larry expressed his gratitude from his hospital bed here.

"All those guys did a wonderful job," he said. "I don't know how to tell them thanks."

### POSSIBLE FRACTURE

Larry is suffering from a possible fracture in his back.

"But I feel a lot better than I did down that hole," he said.

The youth spent nearly 11 hours crouched 50 feet below the surface in the narrow, crumbling mine shaft. Rescuers said the vertical air shaft originally connected with the Suto tunnel some 1,400 feet below the surface, but a recent cave-in sealed it at 50 feet.

Walt German, 42, an off-duty Carson City policeman and ex-rigger, went down a rope to rescue the boy.

### PART OF DUTY

Workers said the rubble which plugged the hole could have dropped at any moment. The only support was among timbers.

German said the rescue "was just part of my duty as I saw it."

Larry and two other boys had been trying to find a way into the Suto tunnel. The friends, Fred Veldero, 16, and Howard Carlson, 17, lowered Larry into the shaft by a rope which broke when they tried to pull him out again.

## Governor Improves Art Of Milking Cow

HARRISBURG (AP)—Gov. Lawrence, a politician by profession and a city boy by birth, is getting to be a deft hand at the art of milking a cow. And he's getting to be more cautious, too.

Last year the governor fell off a stool trying to milk a cow at the state's annual Farm Show. A photographer snapped the picture and it appeared on front pages of many newspapers in this country and abroad. Lawrence laughed off the experience as good publicity for the show.

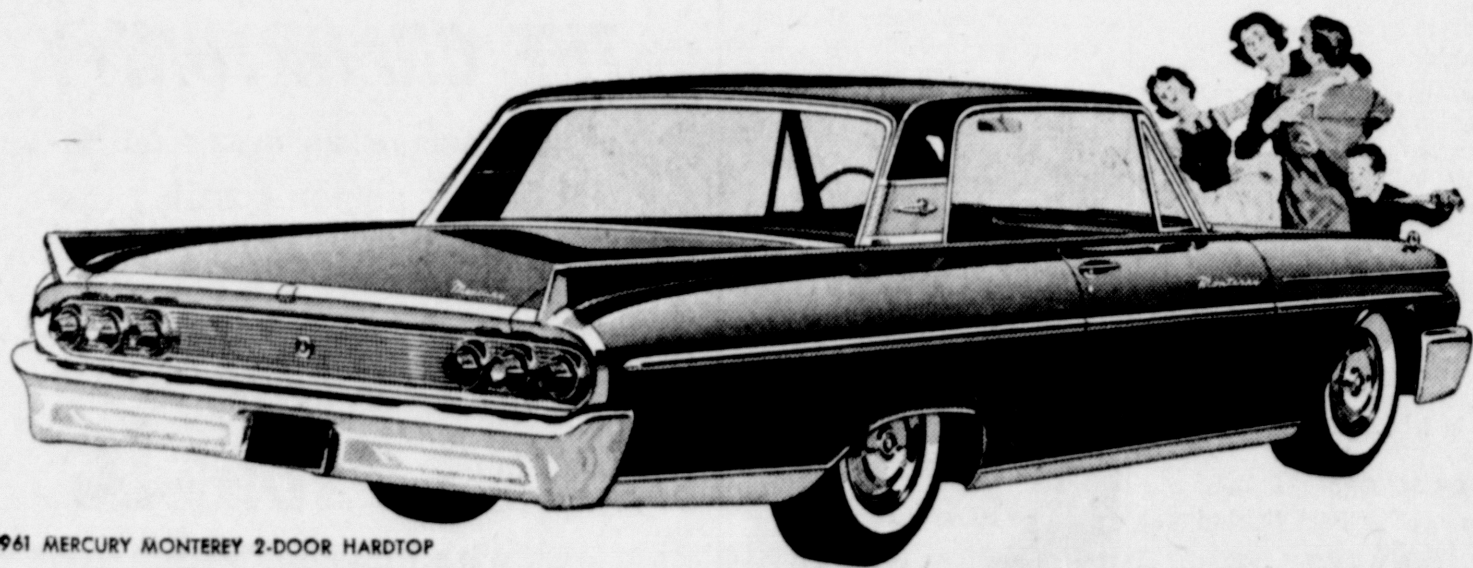

Sunday night the 72-year-old chief executive returned, determined and a bit wiser.

But this time the stool was gone and in its place was a sturdier chair. And for the milking process, Lawrence used an automatic machine instead of roughing it as he did a year ago.

Everything came off fine.

Now for the first time...

# Traditional Mercury values in the popular price range

1961 MERCURY MONTEREY 2-DOOR HARDTOP

**TRADITIONAL MERCURY COMFORT** Only Mercury has Cushion-Link Ride (standard on Monterey and Meteor 800)—a unique suspension system that absorbs jolts and jars that come through to you in other cars. It "gives" backward and forward as well as up and down. And Mercury has a longer wheelbase (120 inches) and greater weight (up to 241 pounds heavier) than other cars in its price range. Result: you enjoy a smooth, solid, steady big-car ride you'd expect to pay much more for. There's plenty of stretch-out room in Mercury, too—even more rear seat hip, shoulder and head room than in last year's spacious Mercury. Wider doors and more trunk space, too.

**TRADITIONAL MERCURY VALUE** There's extra value in Mercury's engine choice—all the way from the Super-Economy "6" (Mercury's first "6") to the powerful Marauder V-8's. And even the top-performing V-8's deliver up to 15% better gas mileage. There's extra value in Mercury's seven self-servicing features. From self-lubricating chassis to self-adjusting brakes, they save you money every mile you drive. Everywhere you look, the 1961 Mercury offers you traditional Mercury values. Now, for the price most people pay for a new car, you can own a Mercury. Take your pick of Mercury's three great series and drive it today!

BOBBY DARINS  
BAN PICTURES  
IN THEIR HOME

By BOB THOMAS  
AP Movie-TV Writer  
HOLLYWOOD (AP) — Striking a heavy blow against Hollywood custom, Sandra Dee announced today her marriage to Bobby Darin will be nobody's property but their own.  
Sandra put her pretty foot down on sharing her honeymoon home with their millions of fans.  
"I figure I was Sandra Dee and he was Bobby Darin before we were married," she said. "I'm still Sandra Dee and he's still Bobby Darin, as far as our careers are concerned. But we're also husband and wife now. That is something new and apart from our careers, and I want to keep it that way."  
"Home pictures? Oh, no. I wouldn't think of having photographers in our house. I know it will make a lot of people mad, but it's important that we keep our home life private."  
Their careers will remain apart, she said, even though they met in traditional Hollywood style—on a movie set. It happened in Rome, where both were assigned to "Come September."  
"During the first three months we never dated," she said. "We went out to dinner in Rome, and we were always accompanied by my mother, his brother-in-law, and my hairdresser."  
The Dee-Darin wedding — real names: Alexandra Zuck, Robert Casotto—was swift but not unplanned. They announced their en-

Arrest Parents In  
Daughter's Torture

JACKSONVILLE, Fla. (AP)—An 8-year-old Negro girl is hospitalized with multiple injuries from torture, police said.  
John and Mattie Pickens, her parents, were arrested Sunday for investigation of how Patricia Ann Pickens got her critical injuries.  
Deputy sheriff Robert Stringer said the child's toenails had been pulled out, she has a broken right arm, malnutrition and pneumonia and her body bears burns and whip marks.  
The Pickens have seven other children.  
gagement upon returning to New York Nov. 22, married secretly Dec. 2.  
HAD 6 WEEKS LEAVE  
"We got married because it was the only time we knew we would have six weeks together," she said.  
"There were such crowds at my hotel that I had to go up and down in the elevator with the garbage. The switchboard was so jammed with calls for me that the hotel wanted me to move. The only way we could have the wedding to ourselves was to do it quietly at a friend's apartment."  
The Darins are now sharing a Bel-Air cottage, complete with housekeeper, swimming pool and guest house. Sandra admitted to cooking on weekends, but her repertoire is limited to stuffed cabbage and salad—"That's all my grandmother taught me."  
NEWARK, England (AP) — Youngsters at a Newark high school have asked their teachers to give them homework because they are bored with the same old programs on television.

James  
MARLOW  
Reports

The Associated Press  
WASHINGTON (AP) — Sunny and sober.  
Those two words spell one of the basic differences between President Eisenhower and President-elect Kennedy.  
The elderly — 70-year-old — Eisenhower appears to have a sunny optimistic outlook. The young — 43-year-old — Kennedy is not pessimistic but appears to take a much more sober view of the world.  
Three stories, which moved within an hour of one another on Associated Press wires, point up the difference.  
During the presidential campaign Kennedy complained the American economy was dragging its feet, needed to grow faster. Eisenhower has appeared rather satisfied with the rate of growth. A number of economists agreed with Kennedy.  
NRA ASKS FOR SPEED  
Thursday at 4:38 p.m. The AP moved a story saying the National Planning Association—which describes itself as a nonprofit, non-political organization—teamed up on Kennedy's side, called for fast growth.  
Trying to accomplish this is going to be one of Kennedy's toughest tasks.  
At 5:30 p.m. the AP carried another story out of Washington. This one, basing its information on "authoritative sources," said Eisenhower would send Congress a budget which at this moment looks very sunny, indeed.  
The country is in a recession, the fourth since World War II, and just preventing its getting worse will call for strenuous efforts by Kennedy's new administration.  
"STRINGENT STEPS"  
If it does get worse, Kennedy may have to take stringent steps.  
The President's budget is his estimate of how much spending should be for the fiscal year starting July 1 and how much the government will collect from revenue to offset the spending.  
Eisenhower figures, The AP said that if Congress votes to spend no more than he suggests, then at the end of the fiscal year (June 30, 1962), the government revenue will be \$600 million more than its expenses.  
But this is based on a happy view of the future: The belief that the recession will get no worse and that a gradual recovery will begin in the next few weeks.  
This is contrary to the way most economists see it.  
"EMERGENCY MEASURES"  
Just 10 minutes after The AP finished moving the Eisenhower budget story it moved another as a bulletin out of New York where Kennedy is staying until his inauguration Jan. 20.  
This one started off: "President-elect John F. Kennedy tonight received study committee recommendations for swift emergency measures to combat the business slump. The group also urged temporary tax cuts if the situation turns a great deal worse in the spring."  
The study group, appointed by Kennedy to evaluate economic conditions, wasn't predicting disaster which would require massive spending and public works.  
But it did suggest a bundle of steps to end the slump without trying to be drastic right away. It then suggested drastic ones if the recession takes a mean downturn.

Avoid Crashes In  
Emergency Landing

TAMPA, Fla. (AP) — No mishaps occurred in an emergency landing of one air liner and the interrupted landing of another.  
A National Airlines Electra returned Sunday night from a scheduled trip toward New Orleans when one of its four prop engines overheated. Its emergency landing with 75 passengers was made without difficulty, crewmen said.  
Earlier an Eastern Air Lines DC8B, carrying 102 passengers from New York, was within an estimated 300 feet of the ground when a light plane which landed ahead of it taxied across the airliner's intended runway.  
The EAL plane made a second approach, landing without incident.

MGM BUYS MOVIE RIGHTS  
HOLLYWOOD (AP) — Metro-Goldwyn-Mayer said Monday it has purchased movie rights to the current best-seller "The Rise and Fall of The Third Reich," a history of Hitler's empire.  
A studio spokesman said it is planned to use the author, foreign correspondent William L. Shirer, as narrator of the film.
